SWANK RESTAURANT SERVES UP BOWLING A LA PAC-MAN

Created for both young and old, Plano, TX's Pinstack is no run-of-the-mill center. Recently opened in January, the 50,000-square-foot space offers 28 bowling lanes, a full-service restaurant, a coffee bar, and an arcade/game room. Pinstack is a little up-scale and a lot exciting. The arcade offers more than 100 games. There are laser tag, bumper cars and a rock climbing wall for the more energetic. The parent company, Entertainment Properties Group, is looking to begin construction on a second location in Alliance Town Center in Fort Worth.
